Br-r-r-On Land, On Sea Old Boreas Rages In East—Mild Here

Wrecked in the worst blizzard on the Great Lakes since 1920, the Henry Curt, 204-ton wharfboat freighter, was towed, a gale howling in her howl, in Muskegon, Mich., harbor. The Curt, above, ice-chained, is shown as she appeared after a late-season trip. One of heaviest falls of snow since 1920, accompanied by a blizzard, struck parts of western Canada yesterday. Eight inches of snow fell and was piled by into drifts 12 ft deep. But it all makes more merry the Christmas shopping scene as shown in the lower picture.

Florida n Grip Of Cold: 6 Die In N. Y.

By The Associated Press
Winter's siege of the United States, bringing death and suffering, reached today into the deep southland. Miami, Fla., was in the grip of the coldest December weather ever recorded there. The temperature stood at the buffeted shivering. Fast liners were held up for 1000 hours, causing fears for citrus and truck crops.
New York city, counting six deaths from the cold, made ready to care for 1000 homeless persons in shelters.
Storms over the North Atlantic buffeted shipping, fast liners were delayed as much as 24 hours in their schedules.

Munition controls Grit View

OTTAWA, Dec. 12.—Empire-wide investigation into the operations of manufacturers and traffickers in armaments, should be urged to the limit by Canadian Liberals, Rt. Hon. W. L. Mackenzie King, Dominion leader, told the National Liberal Federation here today.
This investigation should include the sale by Canada and other parts of the British Empire of munition materials with a view to the ultimate control of the supply and sale of munitions of war by the League of Nations or some other effective national agency.
Coupled with this, Mr. King suggested that Canada take the lead in declaring definitely not only that it will give no succor to any nation which wages destructive wars, but also that it will provide neither arms nor munitions nor credits to such a nation.
"I believe," asserted Mr. King, "that a declaration of policy of the kind by the government of Canada would not only be a right in itself, but would win for this country friends among all the peace-loving nations of the world and would serve to open the door to the broad general recognition which would harmonize and protect the mutual interests."

CHIEF SPEAKER
Mr. King was chief speaker at the opening meeting of the National Liberal Federation here. Delegates from all over Canada assembled for the annual gathering of this organization under the presidency of Hon. Vincent Massey.
In his opening address, Mr. Massey said that "the elements of the Dominion is impatiently waiting to repeat on a grander scale the decision which has already been expressed in the five provinces victory in the election of the National Liberal Federation and the eight important federal by-elections in which Liberalism has been victorious in the last few years."

TAKING ADVANTAGE
By taking advantage of the law, he remarked, the government could postpone an election to meet the emergency, but this was not characteristic of the present government.

Accused In Lindbergh Case Court Sensation

Lawyers Toss Bombshell Hauptmann Trial

Hauptmann Defence Denies Authorship of Ransom Note

FLEMINGTON, N.J., Dec. 12.—The defence today tossed a bombshell into the Lindbergh kidnapping case late Tuesday with the calm announcement it had learned one of the ransom notes which Col. Charles A. Lindbergh received was written, not by George Hauptmann, but by a New Jersey carpenter with gangster affiliations.

The second note was written and mailed by a member of the gang who had been a Jersey carter, said chief defence counsel Edward J. Neilly.

He followed this statement with a declaration that "if the hands of the police in the Lindbergh case have not been tied, the case would have been closed up in 48 hours."

He charged Col. Charles A. Lindbergh with refusing to accept police assistance and prominence in the Governor A. Harry Moore and police officials at the trial to testify on these phases of the case.

ACCUSED IN COURT

These developments climaxed a day which saw Hauptmann brought unexpectedly into court and the presence of 150 prospective jurors, so he might hear preliminary discussion on the motion picture attorneys for a bill of particulars from the state on the Lindbergh baby, hearing on the motion was for Thursday.

The ransom letter Reilly singled out was a postmarked "William F. Burroughs, Brooklyn," and he said it was the second of the series of the ransom letters. The first was a response.

He said he had the name of the man from whom that letter came, and he was ready to testify in behalf of the Bronx carpenter.

Little Theatre To Present Its Second Play

On Friday and Saturday of this week the Edmonton Little Theatre presents its second major play of the season—*The Moon in the Yellow River*. It is a really entertaining farce in two acts, in which comedy and tragedy are skilfully intermingled.

Frank Bellows is directing the play and is also designing the costumes and interesting sets. The play is one of the strongest of the Little Theatre has produced. It is by the author, John Galsworthy, and is a comedy in two acts, in which comedy and tragedy are skilfully intermingled.

Single admission tickets may be bought at the door. Transferable season tickets, which are good for five shows and other privileges, cost \$100 and may be bought at the Little Theatre workshop in the Masonic Hall.

American colleges and universities had 720 students from foreign countries enrolled in 1933.

Danish Bacon Is Superior To Canadian

Swine Breeders Hear Dr. Sinclair At Annual Convention

There is no doubt that the average English importer of Danish bacon is superior to that of the Canadian bacon and the Danish exporter is very definitely of that opinion," said Dr. R. D. Sinclair, president of the Alberta Swine Breeders' Association annual convention, Tuesday afternoon in the Civic Hotel.

TECHNICAL ADVANTAGES

Sinclair stated there were two main phases to production of hogs, namely breeding and feeding and management. Dr. Sinclair pointed out that these main points were length of side, thickness of natural feeding of back and loin, size and shape of ham and thickness of fat.

In speaking of full feeding as compared with limited rationing, Dr. Sinclair stated that the following experiments made by a liberal feeding had proved to be a sound basis.

Inside feeding against outside feeding was another point brought up by the speaker.

"To Denmark," said Dr. Sinclair, "the pig is never out of the pen, but the Canadian pig is out of the pen and is fed on a ration of piglets can be successfully raised in Alberta."

2,072,000 feed oats, 5,569,000 barley and 374,000 rye during the first four months of the season. This helps to offset the smaller shipments overseas. The Canadian western crop was estimated at 263,000,000, of which 131,000,000 have been marketed up to the end of November. Over 20 per cent while a year ago practically the same proportion had been marketed during the same period, so that the situation does not seem to be too serious. The surplus left on the farms in Canada approximately 112,000,000 compared to 167,000,000 a year ago, plus the carry-over of the old crops.

Superiors kept their state clean in local senior amateur hockey competition last night when they were only through with a 4-3 victory over University of Alberta and it was only by the barest margin that they turned back the students. As a matter of fact, things began to look exceedingly dark for the team coached by Lloyd McIntyre when Varsity ran in three goals in the last period and threatened to do even worse in the closing minutes of the game. Their supporters felt anything but comfortable when the Green and gold ran in a trio of goals in fast time to practically wipe out the whole margin.

Superiors have a lot of talent on the squad this year—enough to take them a long way if they really go going. One thing they need to learn, however, was demonstrated last night, and that is there can be no let-up against any opposition. Another thing is that certain of them must learn to stay on the ice. There never will be a truer saying than that old and hackneyed adage: "You can't win games in the penalty box."

Eddie Gerard, who starred for years on the defence of the old Ottawa Senators and later managed New York American and Montreal Maroons, then started this season as star of St. Louis Eagles, gave up the sack yesterday. He resigned the post and his old mate of the Ottawa rear-guard, Buck Boucher, agreed.

PUCK SQUADS WILL BATTLE FOR CHARITY

"Not Forgotten Fund" Will Benefit From Contest On December 20

Coach Dan Carrigan will lead his revamped Edmonton Athletic Club juniors against Coach Lloyd McIntyre's long-lived Superiors of the Senior League on Thursday, December 20 at the Arena. The game, a benefit contest for the "Not Forgotten Fund," is expected to draw a large crowd of hockey enthusiasts and is under the direction of Clarence Campbell and other officials of the International League of Hockey Association.

Without the services of last year's stars, Mac and Neil Colbourne, however, Carrigan's team is expected to make a good showing against their higher ranked players.

Under the coaching of Dan Carrigan the Edmonton Athletic Club team has rapidly rounded into good shape and their battle against the seniors will be kept to a fairly close margin. They are not, however, expected to take the senior team into camp, but will be fighting hard and the score will be kept to a fairly close margin.

Edmonton Athletic Club has shown fine form in its two-game preliminary series in the Junior League and although they lost one game and drew in the last one they have shown up well, considering their lineup has been completely revamped.

Phyllis Dewar Wins Swim Cup

MONTREAL, Dec. 12—Phyllis Dewar, Miss J. S. S. Star at the British Empire Games in London last summer, won the E. W. Beatty trophy, awarded annually to the most outstanding swimmer in Canada according to the results of mail vote tabulated here yesterday.

"The Babe is on our reserve list and as such is like any other player," Ruggert said. "Anything Ruth wants to do, I will try to help him do. There have been no offers for him as a manager or a player. When the time comes for contracts to go out for 1935, I will send him one."

Despite predictions that this would be a season of wholesale brawls, the only trade accomplished today sent Johnny Sylvester, young right-hander of New York Giants, to Pittsburgh in exchange for Leon Chagnon, equally young and equally right-handed.

Ruth Optimistic Over Next Season

MANILA, Dec. 12—Babe Ruth, apparently optimistic concerning his chances of becoming a pilot for some American League club, reiterated last night: "I won't sign a player's contract, and will quit baseball."

Quits Post As Manager Of Eagles

By Bill Lewis

manager of St. Louis Eagles of the National Hockey League who yesterday resigned his post and was succeeded by George "Buck" Boucher, who, like Gerard, is a former Ottawa star.

NO AGREEMENT YET The executive of the Canadian Association has been corresponding with the St. Louis Eagles on the matter but so far has been unable to make a satisfactory arrangement. It is expected, however, that an agreement will yet be reached but it is not known when change being made by Canada is definitely out of Davis Cup competition in 1935.

Should this materialize it is possible the Canadian Tennis Association may send a number of players abroad to compete at Wimbledon and in European tournaments. A definite decision was reached on that point.

Winners of the North American zone of the Davis Cup series play the next round in Europe late in January, consequently the Canadian claim there is ample time to play the matches on this side of the Atlantic in June, permit the winning team to proceed to Europe and become semifinalists in the meeting the European winners.

MEANS HEAVY LOSS The St. Louis Eagles are a firm stand this year because not only are Canadian players not ready for tournament play in May but holding the matches at that date in the early spring is a loss for the Canadian Association.

Canadian players have not competed at Wimbledon in recent years although some four or five years ago Dr. Jack Wilton and Wilton Crocker went to the English tournament. The Canadian Association has not been able to afford to send players abroad.

Yankee Officials Silent On Subject

NEW YORK, Dec. 12—Officers of the United States League of Nations Association refused last night to comment on the subject of the proposed Canadian team to be withdrawn from Davis Cup play in the North American zone unless the date for the test is set back.

Oklahoma City Downs Evelevh

EVELEVH, Minn., Dec. 12—The Oklahoma City Hockey club chalked up the first victory of an American Association League team over a Central Hockey League squad by defeating the Evelevh Bangers here last night by a 2-1 score.

After a scoreless first period both teams counted in the second frame with a minute and a half to play left in the final period Hoffman provided the winning tally for Oklahoma City.

If I fail to land a manager's job, I will be willing to sign as a playing manager. Ruth expressed the opinion that American League executives, meeting in New York this week, will make some arrangement to keep me from going to the National League."

Commenting on local reports the Babe's first use as a manager was made Tuesday. It is reported to have been confidentially a manager's berth had been arranged for Ruth.

CANADIAN NET CHIEFS SOUND THREAT TO U.S.

To Withdraw From Davis Cup Play If Dates Not Set Back

OTTAWA, Dec. 12—Unless the United States tennis authorities agree to play the tie in the North American zone of the Davis Cup matches later in the year than hitherto, Canada will not enter the Davis Cup competition in 1935. It was decided at a meeting of the council of the Canadian Lawn Tennis Association in Toronto over the week-end.

Announcement of the decision was made here last night by Phillip D. Lyons, president of the association. The council was in session at the matches about the middle of June instead of early in May as in past years. Lyons would have Canadian players a chance to get into their stride and play more or less even terms with United States.

At the annual meetings of the major basketball leagues opened yesterday, it was learned that Lou Canham, owner of Chicago White Sox, had said his team must be a champion next year or he would sell out his interests. This puts Manager Jimmy Dykes right on the spot for the 1935 campaign.

EDMONTON A.C. MEETS CANUCK SQUAD TONIGHT

By Bill Lewis

Superiors now led the local series with their credit many exciting moments. On Thursday night, with Dominion leading the series, Varsity is trailing with three losses in the series. The first half of last night's tilt was a hard-fought affair, with neither club doing much to give the small crowd many exciting moments. It lived somewhat for the first half of the second period and then wound up with plenty of interest as the collisions became more frequent. Needed mid weather left the ice just a few minutes before the game was over. The game was a close one, with the teams exchanging goals, but the scoring column much earlier in the fray.

On the run of play, Soops were worth a victory, for they held a big lead in the first period. However, they couldn't make the student stand still. In the second period, they were thankful to get off the ice. In the third period, the drawing of penalties, too, nearly led to a break in the flow of the game's titillation, as they had two off at one time in the last period when Varsity was pressing hard.

Just about seven minutes had ticked away in the second period when Soops went into a rush by the two Brown brothers. Butted passed to the left, the defense and the latter ripped a blazing shot from the wing that gave Mayhew no chance to save. Mid-way through the frame, Jimmy Anderson, recruit from last year's junior ranks, increased the lead to 3-0, scoring from close in on a play which gave both Bobby Crozier and Shorrie Purcell almost no time to react.

Varsity's first real opportunity came towards the end of the period when Nick Woywika, not a drive of the puck and the puck just stopped before rolling into the cage.

ACTING IN THIRD

There was action again as the third frame commenced but it was not until 11 minutes had passed that any scoring resulted. Soops getting their fourth and final goal with Lammie slapped the rebound from Crozier's shot.

That shot, however, Woywika smashed in a shot from close range to make the count 4-0. The students kept up the pressure. Woywika, who has defense are late through the superior club on a fine solo run.

East Stuart, with Superiors shut due to a penalty to this Brown, U. of A. put on a gang play and Bob Zender whipped home goal No. 3 for them. Try as they might, the students could not get the puck into the net.

AMERKS GIVE BRUINS SCARE

BOSTON, Dec. 12. — Boston Bruins, after outplaying New York scoring drives and was credited with a pair of assists.

Americans by a wide margin during the first two periods, started coasting in the third frame and just managed to turn back the star-spangled players' determined closing bid to register a 4-3 victory last night before 7,500 fans.

The Bruins scored twice in each of the two sessions on close-up shots by Marty Barry, Nels Stewart, Dit Clapper and Charlie Sands. Port Arthur.

They slowed down 20 minutes too early and the Amerks took full advantage of the let-down. Red Conn

aged two of the Americans' tallies, the second a long drive from the blue line, and "Rabbi" McVeigh of Kenora rifled home the other. Big Bill Brydges started two of these
